A good womens team saw the return of Jo Curran who ably supported Sam Alvarez. Newcomer Rosie Mc Dermott ran strongly with Louise Ogle, Julie Chicken and Lesley Underdown making up the team.

In the junior race Jago Leckie and Aaron Capon ran really well.

Phoenix Park Results

Congratulations to Todd Leckie and Samantha Alvarez who finished right up amongst the leaders of this competitive event.

Todd tussled for the lead in this 7.5 km race but had eventually to settle for third place . The race was won by the in form James Baker.

Samantha Alvarez further cemented her place at the top of the Sussex Grand prix league with another high place finish. She was once again supported by Lesley Underdown.

In the men's race Paul Payne, Andy Fessey and Paul Eccles enjoyed a good tussle early in the race. Eccles and Payne, feeling a bit off colour, did well to complete the course. Bill Fraser and Sam Shanta completed the team.

Todd Leckie led the Harriers home at the Whitbread Hollow X-C
A convincing win for Todd Leckie at the first of the East Sussex Sunday X -Country races. Todd led from the start to finish well clear of the opposition.

150 athletes took part on a beautiful Autumn morning . The testing course involved 3 laps of Whitbread Hollow and the field soon split up on the first hill. The event was expertly organised by Eastbourne Rovers under the guidance of Andy Payne and Angela Morgan.

Sam Alvarez continued her excellent form with second place in the ladies race. Andy Fessey and Paul Harris continued their mid pack tussle with Andy recording a PB for the course that he set in 1990.
